

SOUTH DAKOTA PEACE OFFICERS'

AUXILIARY SCHOLARSHIP

A \$200 postsecondary education/training scholarship will be awarded annually by the Auxiliary during the annual fall seminar. All completed applications are reviewed to ensure eligibility requirements are met. Applications may be completed each year while attending postsecondary training. A lottery/drawing is used to determine which completed application receives the scholarship.

The scholarship may be used as needed. Once the school confirms attendance by the end of the fall

quarter/semester, a check will be sent to the student. An alternate application is also drawn in case the school is not able to confirm the original awardee's attendance.

Scholarship requirements:

1. The applicant must be a current Auxiliary member (dues paid for the current year); or a child, grandchild, or great grandchild of a current Auxiliary member (dues paid for the current year).
2. The applicant must be attending a community college, junior college, university, or a trade or

technical school for the current fall quarter/semester/etc.

3. Applicants must attach a one-page description of their training program and their goals for using their training in the future.
4. Application forms and one-page description must be postmarked by September 1.
5. Questions may be directed to Deb Halling at 605-280-0730.

Mail applications to:

Dawn Hill
1114 E Capitol
Pierre, SD 57501
